FLIGHT PLANNING SERVICES  
PRICE LIST | 2022

## IF YOU WANT SOMETHING DONE RIGHT... YOU DON'T HAVE TO DO IT YOURSELF

The Flight Planning Services are ideal for motivated and adventurous pilots seeking to expand their horizons. It is the solution for pilots who are unfamiliar with the area they are going to visit, would prefer to save time by having the journey preparation done on their behalf, and would appreciate a 24-hour contact who is available during their vacation for any delay, weather, mechanical issue or other problem that may arise.

- Flight plans and navigation log creation on your behalf.
- Filing of flight plans on your behalf.
- eAPIS (outbound/inbound) and other customs/immigration document filing.
- Secure over flights, landing permits and other required authorizations. (actual price of permits not included)
- Secure World fuel releases on your behalf.
- Secure handling, parking, customs/immigration and fuel at all destinations. (costs of services not included)
- Briefing for every flight provided the night before on PDF to be read on iPad.

- Dedicated weather website for the route to be flown.
- Secure handling in technical and overnight stops to speed up the layovers.
- Monitor the political situation for each stop visited.
- Rerouting in case of bad weather, unrest or political situations.
- Help on securing and sending parts in case of AOG.
- Help in securing the required Jeppesen service and coverage for the Journey.
- Help in securing passports, visas, inoculations (cost of processing not included)
- Rental availability for survival equipment.
