Itinerary

Day 1 - Wednesday, February 24: Stuart, FL (KSUA) ➔ Cartagena, Colombia (SKCG)

Air Journey will greet you at Witham Field (KSUA) for a briefing before embarking on the first leg of our Journey.

Fly to Colombia (there will be an optional technical stop in Ocho Rios, Jamaica) – one of the most ethnically diverse nations in South America – for our visit to Cartagena, undeniably one of Latin America’s most beautiful cities lost somewhere in time between the sixteenth and nineteenth centuries, with the Caribbean sea as a sparkling backdrop. Sir Francis Drake laid siege to the city but the fortress walls and cannons remain, making the area within the old walled city a living museum.

Day 2 - Thursday, February 25: Cartagena

The tour will include a walking tour and a city tour to enjoy the highlights of this beautiful city.

Day 4 - Saturday, February 27: Amazon River

The locals call Yacapana Islands "The Islands of the Iguana" because of the large number of these reptiles - like tiny dinosaurs - which inhabit them. Amazon folklore says that if you touch an iguana, you will develop some of its characteristics and, as no one wants to look like them, these animals are well protected. We will also see the famous Amazon River dolphins, pink or gray, along our route. Amazonian people believe that these dolphins possess the power to turn into men and women of great beauty.

After breakfast you will board a comfortable skiff to sail from the Amazon River to the Yarapa River. Life jackets, ponchos, rubber boots, and fresh water are always available in our private boats.

As you float down the Yarapa, past the occasional fishermen paddling in their canoes, keep your binoculars ready to spot wildlife: terns, tropical songbirds, black collared hawks and sloth share this wonderful world with us. Upon arrival at Lake Moringo, use your hooks to try to catch some of the ferocious piranhas and other fish species. As you fish, trained naturalist guides will tell the story of the lake and its inhabitants.

In the late afternoon we will sail on to Lake Clavero where villagers paddle in their traditional dugout canoes. You may wish to swim in the lake's calm waters and visit the community to interact with our Amazonia neighbors who will be pleased to welcome you.

In the late afternoon you will take a magical journey through the "Jungle of the Mirrors," where towering trees are reflected in the dark river. Move on to Dorado River where you may observe enchanting parrots, macaws and a variety of primates, unperturbed by our presence.
