We arrange all aspects of your Journey's flight planning, including permits, authorizations, parking, and fuel. Our team assists with customs paperwork for seamless airport processing, and we file flight plans and eApis manifests on your behalf.

FULLY-GUIDED EXPERIENCE- THE JOURNEY DIRECTOR

Each of our Journeys are guided by an experienced pilot, known as a Journey Director. Serving as your liaison between air and ground, they provide expert guidance throughout the adventure, while hosting you in each destination.

PILOT BRIEFINGS BEFORE EVERY FLIGHT

Before every flight, our seasoned Journey Director conducts detailed pre-flight briefings. These carefully crafted sessions prioritize comprehensive preparation, addressing all facets of the upcoming flight such as; weather conditions, departure procedures, airport diagrams and routing.

SMALL GROUPS-6 AIRCRAFTS MAX PER JOURNEY

Limiting each journey to a maximum of 6 airplanes, our bespoke adventures feature an average group size ranging from 10 to 15 people. This intentional choice ensures an exclusive and intimate atmosphere, allowing you and your fellow travelers to forge meaningful connections with like-minded aviation enthusiasts.

SECURITY & AIRCRAFT MAINTANANCE

Air Journey selects only secure airports with paved runways and ICAO standards, prioritizing safety. Additionally, we maintain extensive relationships with repair centers worldwide. In the event of a mechanical issue with your airplane, we coordinate repairs, ensuring a seamless and efficient resolution.

“Our Air Journeys prioritize pilots and their companions, crafting luxurious itineraries that strike a perfect balance between flying, exploring, and relaxation. ”
