Set out on an enthralling adventure as we pilot our way to Colombia, a nation celebrated for its rich cultural and ethnic diversity. Our destination is Cartagena—an enchanting city seemingly suspended in time between the 16th and 19th centuries, with the Caribbean Sea as its picturesque backdrop. Designated as a UNESCO World Heritage Site, Cartagena boasts remarkably well-preserved colonial architecture, offering a captivating walking city experience through restored mansions, horse-drawn carriages, and old-world plazas. Before gathering for a group dinner, we will enjoy a charming carriage ride, fully immersing ourselves in the city's timeless atmosphere and vibrant history.

The following day, accompanied by a knowledgeable local guide, we will embark on a walking tour through the historic walled old town. As we explore its cobble streets, we will uncover the hidden stories of Cartagena while visiting iconic landmarks such as Puerta del Reloj, Plaza San Pedro Claver with its stunning church, and the lively Plaza Bolívar. After lunch, our exploration continues with a visit to the formidable Castillo San Felipe—the largest Spanish fortification in the Americas—constructed in the 17th century. We will conclude the day with a visit to the Convent of La Popa, also built in the 17th century and perched atop the city's highest point, offering breathtaking panoramic views of the bay, Old Town, and the vast Caribbean Sea.
